

Quallsafe Level 3 Award in Paediatric First Aid (RQF)

Introduction

This two -day course is designed to meet the criteria set by the Department for Education's EYFS Framework and is ideal for:

- Those employed in an early years setting
- Registered childminders and assistants
- Anyone who has a non-professional involvement with infants and children, such as parents, grandparents and want to learn key paediatric first aid skills.

Successful candidates will learn the roles and responsibilities of the paediatric first aider and will be equipped with the necessary skills to administer safe and effective treatment when dealing with a range of paediatric first aid situations.

Course Duration

IHTC Ltd offer this course over 2 days.

Times

8.30am Start (Arrive 15 mins before for registration) & 4.30pm End

(No lunch provided, please bring your own, tea & coffee available)

Course Programme

The learners will develop the skills and knowledge needed to deal with a range of paediatric first aid situations, including: managing an unresponsive casualty, CPR, recovery position, choking, anaphylaxis, febrile convulsions and seizures, head and spinal injuries, fractures, diabetic emergencies, wounds, bleeding, stings and minor injuries.

Certification and Assessment

The method of assessment will be by 2 multiple-choice theory question papers at the end of the course, as well as 7 practical assessments during the course. Successful delegates will receive a Quallsafe Awards certificate which is valid for 3 years.
