

ABBE Level 4 Diploma In Fire Risk Assessment

The Awarding Body of the Built Environment (ABBE - regulated by Ofqual) Level 4 Diploma in Fire Risk Assessment. The need for this Fire Risk Assessment qualification is due to the Government's Regulatory Reform (Fire Safety) Order 2005 (RRO), which requires fire risk assessments to be carried out by a 'competent' person. Over a 5-day period, delegates will build an understanding of the legal and regulatory requirements of Fire Risk Assessment, how to carry out a Fire Risk Assessment and demonstrate that they are capable of carrying out fire risk assessments at the required depth to confirm occupational competence.

Course Duration

IHTC Ltd offer this course over Five days.

Time:

Start- 8.30am (registration at 8.15am)

Finish – 5pm

(No lunch provided, please bring your own or local amenities available within a short distance. Tea & coffee and microwave available)

Who Should Attend?

This qualification is aimed at those who intend to carry out fire risk assessments as 'competent persons' as required by the Regulatory Reform (Fire Safety) Order 2005 (RRO). Specifically designed to enable learners to demonstrate their ability to undertake this work, these qualifications are suitable for both in-house fire risk assessors and independent consultants.

Course Programme

Delegates will gain an understanding of:

- Work in a safe and professional manner.
- Fundamental principles and concepts for fire risk assessment.
- Prepare to undertake fire risk assessments.
- Undertake and report on fire risk assessments.
- Advanced principles and concepts for fire risk assessment.
- Undertake and report on fire risk assessments for all buildings (except complex buildings).

Training is delivered through a combination of theory sessions and practical exercises.

Please note that there is a Pre-Course Learning Task to be completed independently prior to course start.

Certification and Assessment

A Portfolio of evidence will be required to be completed after the course. This Portfolio is completed online via "Quals Direct". Delegates will have an assigned assessor who will guide them through the portfolio to completion. Delegates have 6 months after the course to complete the portfolio. On completion of the portfolio, successful delegates will receive an ABBE Accredited Level 4 Diploma in Fire Risk Assessment (RQF).
